[Mr Brownell's Scedule Moscow Russia \(As December 4\).docx](#)  
[ATT00001.htm](#)

Dear Pete,

First of all I wish you a pleasant flight and look forward to meet you in Moscow tomorrow!

In the attached file you see the schedule of YOUR days in Moscow. I will be with you everywhere - do not worry please. In the same file there are note about all people and places your are going to be.

Mr Torshin is very happy that you are coming earlier and invites you to the dinner in a very interesting members only restaurant. You will love it! Trust me.

Notice please that my personal photographer (one of the best in Moscow) will take several pictures of you on Sunday. You are the star now and we need your pictures for all Russian magazines. It's just easier to take them in advance.

See you soon!

I am always available on by both cells:

American [REDACTED]

Russian + [REDACTED]

At the hotel adapters will be provided and wifi is free in your room. Also expect a small surprise from me and Mr Torshin.

Good luck!

Sincerely,  
Maria Butina

Founding Chairman / Board Member

All-Russian Public Organization *The Right to Bear Arms*

**Maria Butina – the Founder and board member of The All-Russian Public Organization “The Right to Bear Arms”; the special assistant of the State-Secretary-Deputy Governor of the Bank of Russia Alexander Torshin.**

Mrs. Butina was born in 1988 in Altai Region (southern Siberia, Russia).

She received twin Masters Degrees in political science and education from The Altai State University in 2010 in her hometown of Barnaul, Altai Region, Russian Federation. She is a candidate for a PhD in 2015 – her dissertation is focused on the challenges of political organizations as alternatives to traditional political parties.

Butina launched a small chain of furniture stores in her hometown of Barnaul after graduating from college and was the executive director of her local International Rotary Club.

Maria Butina was named the founding Chairman of “The Right to Bear Arms.” This organization was created in 2010 as one of the last wishes of Gen. Mikhail Kalashnikov (the inventor of the AK-47).

Maria is the co-author of multiple reports on potential reforms of Russian weapons law. Her reports have been published under the auspices of the upper house of the Russian Parliament (the Federal Assembly – the Russian Senate) and are a synthesis of other countries’ experiences with such reforms.

She is a member of the international shooting organizations IPSC and IDPA and is a certified judge for the International Practical Shooting Confederation.

Butina is an owner and CEO of “Antares, LLC”. Focused in public relations and advertising in Moscow, Russia.

Maria is a public speaker of The Right to Bear Arms and an expert in weapons, civilian gun rights and self-defense.
